HEAVEN & EARTH

Taking inspiration from Hixy's dish and the rule of three, we aim to rely on three main ingredients within any drink. We combine and enhance them, letting nature show us the way.

Longingly reconnecting the heavens and earth...

This is based upon Himmel und Erde, a popular German dish. According to Mark's mate, Steve Claydon, who is a huge fan and regularly enjoyed it in his local restaurant, the soft, silky black pudding is the heaven (Himmel) upon the Earth (Erde) of crushed up apples and potatoes.

300-400g good-quality soft black pudding
100ml chicken stock
100g caul fat, rinsed
300g potatoes, peeled and quartered
Sea salt and freshly ground black pepper
1 cooked apple
½ tbsp caster sugar
120g butter
