HIX

HIX offers a variety of beautiful and versatile event spaces, hung with Mark Hix's collection of contemporary art, ranging from intimate private dining rooms for 10 people to exclusive venue hires for 200, so whether you are planning a business lunch or a birthday dinner, a canape reception or a wedding breakfast, we have a unique space that's right.

HIX Outside is our external event company that offers full event management and creative planning for large and small events: private dinners to brand launches, festivals to pop-up restaurants.

All our menus are built around the long-established, personal relationships that Mark has with his suppliers and use only responsibly produced, carefully sourced and simply served British seasonal ingredients.

Our teams are on hand to assist and advise with every aspect of planning your event and our assured but relaxed style of front-of-house service will ensure that you and your guests are at ease on the day.

With the exception of meetings, there is no room hire charge for our private rooms, however a minimum number of guests or minimum spend will apply to private dining events which will be agreed at the time of your enquiry.

Hixter

RESTAURANT DINING *120 people*
EXCLUSIVE HIRE *150-200 people*

A stone's throw from Borough Market, Hixter was originally a metal box factory and is lauded as one of the most unique and versatile venues south of the river.

The walls of the striking open-plan kitchen are built with the Himalayan salt bricks that are used to age our beef. Offering a variety of flexible private dining spaces for corporate and social events, Hixter is also licensed for wedding ceremonies.

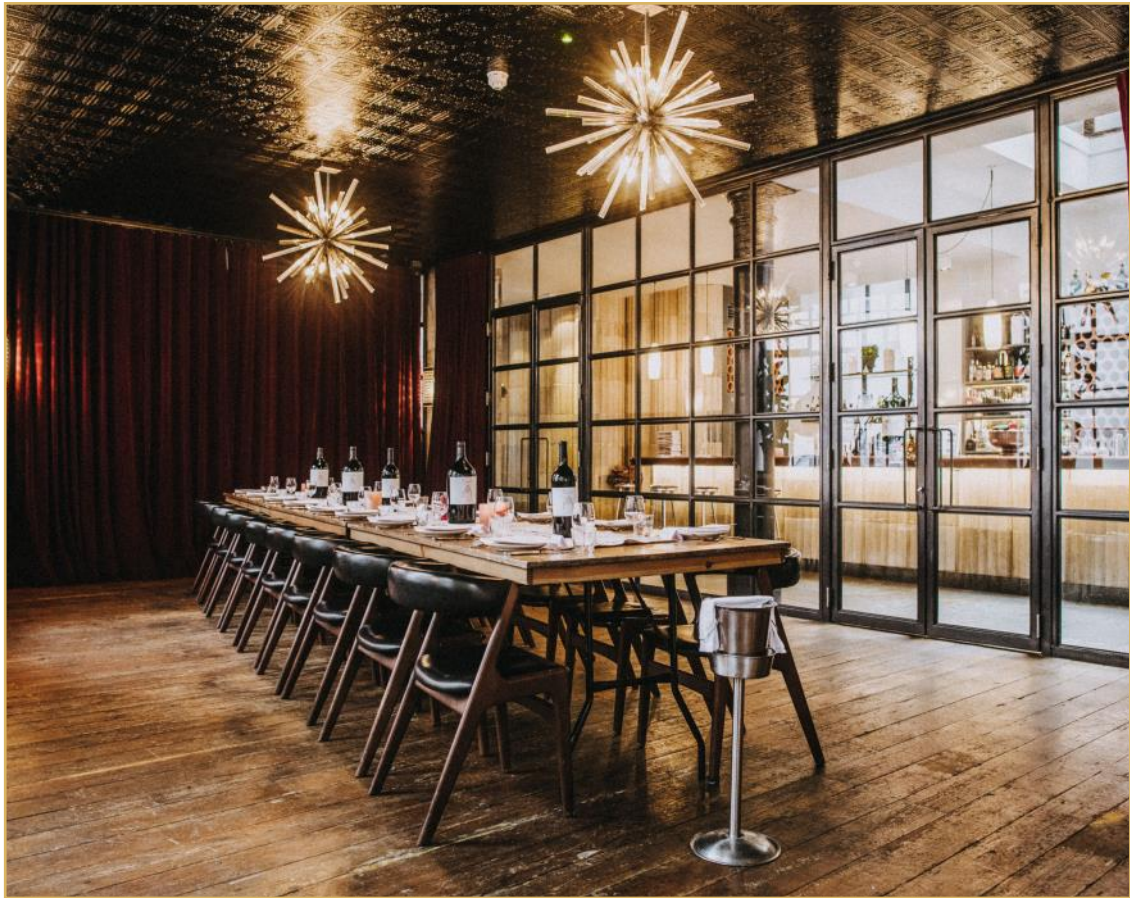

Chicken and steak form the heart of the menu, alongside foraged British ingredients, and fish & seafood dishes influenced by Mark's travels.

The CNB dining room is a bright space bathed in natural daylight enveloped by Luke Embden's pop-art mural.

The opulent Bull Room with large windows and velvet curtains lends itself to breakfast meetings, private dining and drinks receptions.

Downstairs, Mark's Bar is a hidden gem featuring an impressive sunken bar with cinema-style bar seating and Mark's signature billiards table. Like its sister bar in Soho, the understated luxury of Mark's Bar Bankside offers the perfect setting for drinks parties or feasting.
