

HIX

Oyster & Chop House

Winter 2018/19

Choose from one of our seasonal menus.

For parties of ten guests or more we offer a selection of feast menus which are designed to share. Enjoy three sharing starters, followed by the feast of your choice and a family-style sharing dessert.

Our supper menus are individually plated.

There is an option to add a cheese course onto each menu.

We are happy to tweak your menu to suit any dietary requirements and can suggest wine pairing for your chosen menu.
